¹⁴Then God said, "Let there be lights in the sky to separate day from night. These lights will be used for signs, seasons, days and years. ¹⁵They will be in the sky to give light to the earth." And it happened. ¹⁶So God made the two large lights. He made the brighter light to rule the day. He made the smaller light to rule the night. He also made the stars. ¹⁷God put all these in the sky to shine on the earth. ¹⁸They are to rule over the day and over the night. He put them there to separate the light from the darkness. God saw that all these things were good. ¹⁹Evening passed, and morning came. This was the fourth day. (ICB)
